SEMPER RESPONSUS
In Relentless Pursuit of Medical Readiness

SPECIALIST

for effective training

AMPUTEE

SERVICES

CREATION OF A MORE REALISTIC CASUALTY SIMULATION

Enhances training packages and prepares personnel for traumatic catastrophic injuries by

- Eliminating the SHOCK factor
- Improving Reaction Time
- Saving Lives

WE'VE WORKED WITH A DIVERSE CUSTOMER BASE.....

ACTION AMPS (A.C.S. Ltd)

EFFECTIVE REALISM

Action Amps (ACS Ltd) provides traumatic catastrophic simulations with effective realism by use of amputees and special effects make-up.

Utilising the services of Action Amps (ACS Ltd) will enhance your training simulation events and packages with realism, providing trainees with realistic traumatic injuries, which will ensure effective training and help take the "shock" factor out of a real LIVE situation thus SAVING lives.

Our services can be incorporated into endless training packages including:

- Road Traffic Accidents
- Health & Safety Training
- Disaster Planning
- Middle East Pre-deployment Training

HOW CAN WE HELP YOU?

WE TRY HARDER

AMPUTEES

With a selection of amputees and a range of amputations, male and female, young and old, we can almost always accommodate your pre-defined training requirements.

Our amputees have experience in varying levels of role-play, from film and TV extras (including stunt roles) to military battlefield simulations.

SPECIAL EFFECTS MAKE-UP (SFX)

Action Amps (ACS Ltd) have their own fully-trained SFX Make-up Artists as well as securing the services of UltimateFX Ltd. We are able to provide realistic simulations from minor cuts and bleeds through to catastrophic amputation and facial/body burns.

PYROTECHNICS

Action Amps (A.C.S. Ltd) Pyrotechnic specialists are available to supply visual and noise simulation which can be used to enhance Battlefield training, traffic accident explosions etc.
